Brazil Sao Paulo Battery and Energy Storage Expo (EES South America) is a hotspot for batteries and energy storage systems in South America. It is part of the Smart Innovation Center South America, focusing on mobile energy storage solutions, electric vehicles, and charging infrastructure technology. The research, development and piloting of battery energy storage solutions is expected to help Brazil identify a strategy to grow the energy storage market and improve its renewable energy. Ecoenergy (Sao Paulo) Ecoenergy - Fair and International Congress of Clean and Renewable Technologies for the Generation of Energy is an integral part of EnerSolar + Brazil and . Ecoenergy is held in FIEE FIEE is the only business trade show in Brazil that showcases equipment, products, solutions and the latest trends in electrical and electronic installations for all types of industries.
