

hanbell precision machinery and energy storage

What does hanbell do? Hanbell specializes in the research and development, design, production, sales, and service of compressors and pumps for application in a variety of industries. After years of continued growth, the company's products and services have expanded to integrate design and production with energy management and system operations. Where is hanbell headquartered? The company is headquartered in Fengjing, an ancient town in the beautiful Jinshan district of Shanghai. Hanbell began public listing on the Shenzhen Stock Exchange (A-Shares) in August, as the first Taiwanese-invested public company in Shanghai. When was hanbell compressor invented? In 1959, the first compressor company was founded in Taiwan. Two years later, Mr. Liao Zhenan and his early cadres, who had already aimed at the mainland market, set up an office in the mainland and established the brand of "HANBELL" compressor. Why should you choose hanbell? Based on competitive pricing and high quality, Hanbell provides the first class products and breaks the oligopoly market dominated by few screw compressor manufacturers. Nowadays, Hanbell is one of the biggest and advanced compressor manufacturers in the world and always concentrates in research and innovation of new technology Hanbell Precise Machinery CO., LTD Hanbell | Products | Application | Contact Us Add: 32853-No.5, Gongye 3rd Rd., Guanyin Dist., Taoyuan City 328, Taiwan (R.O.C.) Tel: 03 - 4836215 Fax: 03 - 4836223 E-Mail: Sales1@hanbell Add: 40852-No.10, ABOUT US-Shanghai Hanbell Precision Machinery After years of continued growth, the company's products and services have expanded to integrate design and production with energy management and system operations. Refrigeration and Frozen Storage-Shanghai Hanbell Precision Hanbell RC2-PZ series compressor can be used in high load demand places such as full load air cooling, freezing, refrigeration, ocean fishing, cold chain logistics and ice making system, etc. Shanghai Hanbell Precise Machinery Co., Ltd. (???????? Report with financial data, key executives contacts, ownership details & more for Shanghai Hanbell Precise Machinery Co., Ltd. (????????????) in China. Hanbell-About Hanbell Based on competitive pricing and high quality, Hanbell provides the first class products and breaks the oligopoly market dominated by few screw compressor manufacturers. Hanbell Precision Machinery Co., Ltd. was rated as "50 key Hanbell Precision Machinery has greatly increased the investment in low-temperature products in recent years, aiming to provide complete compressor energy-saving application solutions for Refrigeration and Frozen Storage-Shanghai Hanbell Precision Machinery Hanbell RG series open type compressor is a multi-functional compressor which is compatible with ammonia, fluorine and special gases, with high efficiency spiral rotor teeth. It has Hanbell Precision Machinery: In the future, it will choose to turn to Need this critical market data? Access thousands of market events, data points, and news articles!
