

international energy storage exhibition brazil

It is part of the innovation Hub The smarter E South America and takes place in São Paulo, Brazil. EES South America will be complemented by the special exhibition Power2Drive South America focusing on mobile energy storage solutions, electric vehicles and charging. Expo Center Norte provides access to more than 4 000 parking slots divided between pavilions. Prices per hour and other details can be found at the Parking info page. The nearest subway stations are Portuguesa-Tietê and Carandiru (Blue Line), located a little over 2 km far from Expo Center Norte.

August | Trade fair for batteries and energy storage systems EES South America - the abbreviation stands for "electrical energy storage" - has established itself since its founding in as the leading trade fair for energy storage technologies on the South American continent. Every August EES South America, LATAM's key event for batteries & energy storage systems, takes place at the Expo Center Norte in São Paulo, Brazil, on August 27-29, and focuses on energy storage solutions suited to support and complement energy systems with increasing amounts of renewable energy sources. With three parallel energy exhibitions and one special exhibition, The smarter E South America is LATAM's innovation hub for the new energy world. It takes a comprehensive approach to the topics of the new energy world by presenting cross-sector energy solutions and technologies. The smarter E Brazil São Paulo Battery and Energy Storage Expo (EES South America) is a hotspot for batteries and energy storage systems in South America. It is part of the Smart Innovation Center South America, focusing on mobile energy storage solutions, electric vehicles, and charging infrastructure. LuxpowerTek is set to participate in Intersolar South America, one of the most influential solar and energy storage trade shows in the region. During the exhibition, we will present a range of newly launched energy storage products tailored for the Latin American market, covering residential. Electrical Energy Storage South America in See 3D hall plan of Electrical Energy Storage South America in Expo Center Norte - Brazil. Order an interactive floor plan for you event at ExpoFP EES South America São Paulo. With its unique combination of international innovation, regional relevance, and practical solutions, EES South America is the central driving force for the energy storage industry and an unmissable event for anyone looking to EES South America - LATAM's Key Event for Batteries & Energy EES South America, LATAM's key event for batteries & energy storage systems, takes place at the Expo Center Norte in São Paulo, Brazil, on August 27-29, and focuses EES SOUTH AMERICA Dive deep into EES SOUTH AMERICA - Forum for Innovative Energy Storage Solutions in São Paulo, its exhibitors, schedules, and highlights. Join us in São Paulo. Brazil São Paulo Battery and Energy Storage Brazil São Paulo Battery and Energy Storage Expo (EES South America) is a hotspot for batteries and energy storage systems in South America. It is part of the Smart Innovation Center South Exhibition-Intersolar Brazil. During the exhibition, we will present a range of newly launched energy storage products tailored for the Latin American market, covering residential, agricultural, and small commercial applications. São Paulo, Brazil: The Smarter E South America - SolarAt South America's leading renewable energy exhibition, AITE FUSE showcased reliable and cost effective fuse solutions.
