

## ukraine energy storage tender announcement latest

DTEK, Ukraine's largest private energy company, has selected Fluence Energy B.V., a subsidiary of Fluence Energy, Inc. (NASDAQ: FLNC) ("Fluence"), a global market leader delivering intelligent energy storage, operational services, and asset optimization software, to supply Ukraine's DTEK's Fluence Gridstack battery units at one of six energy storage sites across Ukraine, part of the country's largest battery energy storage project announced on July 10, . (DTEK press service) DTEK, Ukraine's biggest private energy company, has begun final commissioning of the country's DTEK, Ukraine's largest private energy company, has selected Fluence Energy B.V., a subsidiary of Fluence Energy, Inc. (NASDAQ: FLNC) ("Fluence"), a global market leader delivering intelligent energy storage, operational services, and asset optimization software, to supply Ukraine's first Investor DTEK will build 200MW of battery energy storage systems (BESS) in Ukraine as the country enters its third winter of war with Russia, with continued attacks on its electricity infrastructure looming. The company will invest EUR140 million (US\$155 million) in the series of projects, which are Ukraine's power grid requires about 1.3 gigawatts (GW) of energy storage capacity to ensure system stability, Ukrenergo CEO Vitalii Zaichenko said, according to Ukrinform. "The total need for energy storage systems is approximately 1.3 GW," Zaichenko said. "The systems already in operation have Ukrainian energy company DTEK plans to invest EUR140m (\$155m) to develop a range of energy storage systems with 200MW capacity to bolster the country's energy security and improve grid stability. The initiative will establish DTEK as the country's largest investor in energy storage. The energy Ukrainian private energy group DTEK plans to install a series of energy storage systems across Ukraine with a total capacity of 200 MW, investing EUR 140 million (USD 154.6m) in the project. The facilitated at bias are aimolstering Ukraine's energy security and should become operational no later than Ukraine's largest battery energy storage project DTEK, Ukraine's biggest private energy company, has begun final commissioning of the country's largest battery energy storage project, the company announced on July 10 at the Ukraine Recovery DTEK selects Fluence to deliver 200 MW advanced energy This initiative not only demonstrates Fluence's commitment to supporting Ukraine's energy security but also highlights our leadership in providing cutting-edge storage Ukraine: DTEK to build 200MW BESS as Russian Investor DTEK will build 200MW of battery energy storage systems (BESS) in Ukraine as the country enters its third winter of war with Russia, with continued attacks on its electricity infrastructure looming. Ukraine needs 1.3 GW of energy storage to stabilize power grid Ukraine's power grid requires about 1.3 gigawatts (GW) of energy storage capacity to ensure system stability, Ukrenergo CEO Vitalii Zaichenko said, according to Ukrinform. Ukraine's DTEK to invest \$155m in 200MW energy storage systems Ukrainian energy company DTEK plans to invest EUR140m (\$155m) to develop a range of energy storage systems with 200MW capacity to bolster the country's energy security DTEK plans to add 200 MW of energy storage Ukrainian private energy group DTEK plans to install a series of energy storage systems across Ukraine with a total capacity of 200 MW, investing EUR 140 million (USD 154.6m) in the project.
